Subject: School Trip

Dear Dad and Mom,

Today's the second of the trip and it's been a long day. In the morning, we went to the amusement park. I remembered putting my cellphone in my pocket, but it wasn't there when I needed it at lunch. So I stopped eating my lunch and went straight back to the scary ghost house. There was no sign of it. At that moment, I really regretted not listening to my teacher who told us to leave our valuables in the hotel safe.

But to my surprise, my cellphone was right under my pillow. In fact, I forgot to take it along with me. Just when I felt better, you know what? I was told a short visit to the nearby night market tonight was canceled because of heavy rain.

Well, the good news is that I'm coming home tomorrow! Remember to pick me up at the train station at six.

See you soon
Teresa

Is Goodies good? 7:02 PM 08/26
 Does anyone know about Goodies next to the Mad-Eye Theater? I want to go there with my friends this Saturday. Thanks!

RE: Is Goodies good? 7:30 PM 08/26
 My dad took me there yesterday. I don't know if it's expensive. He paid. The food was fine, not the best, though. But you must try its papaya ice cream. I just can't get enough of it! Dinner is \$50 cheaper if you eat there on your birthday.

RE: Is Goodies good? 8:11 PM 08/26
 Its food is good but its waiters are not. For that price, I think you should go to Awe's. It's a little far from the theater, but the waiters there are friendly, and the food is wonderful. It's celebrating its fifth birthday, so lunch is only half price this week.

RE: Is Goodies good? 9:56 PM 08/26
 It's the best restaurant I've ever been to. It's a little expensive. But it costs \$100 less for lunch. Crazy_P is right about the papaya ice cream. There's no other word for it!
