Dear Kelly,

I heard that you are planning to have dinner with your Indian friends. As I know, here are some things you should follow to be a polite guest.

- ★ Traditional Indian food is served on a rug on the floor, and people sit in a circle.
- ★ If you eat at a table, let the eldest sit first.
- ★ Indians usually use their hands to eat food with curries and gravies.
- ★ Wash hands before eating because much of the food is eaten with fingers.
- ★ Wait for the eldest to start first.
- ★ Don't use left hand while eating.
- ★ Wasting food **stands for** rudeness to the host and the food.
- ★ When you have finished your meal, don't leave the table until the host says so.

Follow these above, and then I believe that you'll have a great time.
